*On July 10th, I will be attending the summer program, **Narrow Way Ministries**. A few of my friends went last year, and I have been interested in attending since they were planning for it last year.*

***Narrow Way Ministries** is a 17-day discipleship program designed to bring young men and women into a deeper relationship with Jesus Christ and to give them time to seek the Lord's will for their lives." This year's theme is The Heart of the Matter taken from Matthew 6:21. We will learn what it looks like to treasure Christ above all.*

While there, I will take a few bible classes, seek God through times of worship and prayer, and serve God and people through local outreaches.

As you can probably imagine, an experience like this is not free. I am writing to ask for your support for this trip with finances, prayer, or both. The total cost of the Program is \$675. This covers my classes, meals, lodging and different events. Please pray about how you might be able to help be a part of this experience for me.

If you feel led to give financially, I would greatly appreciate any contribution. If you feel led to give by praying, that is also appreciated and is just as important as the finances. If you are unable to be a part at this time, no problem. The Lord knows and He will provide. I am looking forward to what the Lord has in store for me this summer.
